

## EIC ACCELERATOR - To accelerate your market entry

From Technology Readiness Level 6 (TRL6) onwards, the EIC Accelerator supports your growth with up to 2.5 million euros in grants and equity capital of up to 15 million euros. Currently, the Europe-wide success rate for approval is 8.1 percent.\* With DORUCON, you increase your chances of success to 50 percent!

### ✓ Intelligent project analysis

Take advantage of the free project evaluation of our experts. In addition, DORUCON is authorized by the BMWi to issue consulting vouchers of up to 27,500 euros in the **go-inno** program.

### ✓ Redundant consulting

We always work redundantly with several **technology and business experts** on your application. This ensures that your project is prioritized and securely supported at every stage.

## The DORUCON Full-Service guides you safely through the 3-step application process

### Proven track record

With over 10 years of experience, we advise our clients from all industry sectors on innovation and investment funding. Increase your probability of success on the EIC Accelerator with our experts by your side and be among the best in Europe!
